

BACKGROUND

Southeast Asia Workshop on Aerospace Engineering (SAWAE) is an international workshop organized annually by Southeast Asia Network on Aerospace Engineering (SANAE) and aims to address current researches and developments in the fields of aerospace engineering and aviation, exchange knowledge and experience among the participants, and provide opportunities for further research and academic collaboration.

INVITATION

On behalf of the Organizing Committee, it is our great pleasure to invite professors, researchers, scientists, and students, to the seventh Southeast Asia Workshop on Aerospace Engineering, which will be held and hosted by Kasetsart University, Bangkok, Thailand, on 15th – 17th November 2023. The 7th SAWAE will include variety of keynote and oral presentation sessions related to aerospace engineering and aviation.
